

BIAS Overview

BIAS has many features. At TMX we focus on using 3 main areas of the system:

- Rink booking
- Applying to play in games and confirmation of availability
- Membership management

The table illustrates the different aspects of BIAS. The features of BIAS that TMX will be using in 2026 have been highlighted in blue. Please ignore other parts of the system for now as they are not in use at TMX, but please feel free to have a look around.

Menu Heading (At Top)	Contents	Description
Between Clubs	Leagues and friendlies	Fixtures for the different categories of friendly games and league games.
	Games	A full listing of all the fixtures for the club, with the facility to apply/un-apply/confirm availability for games. Plus the facility to see the selected team sheet and the result of the game.
	Rink Calendar	A rink calendar showing club fixtures/events, with the facility to book rinks.
	Past games	A reference list of TMX's past fixtures. Games appear in the list a week after they have been played.

	My Availability	A setting to stop BIAS sending emails to you when you choose to set it to 'not available.' The setting automatically resets to available after 2 weeks.
	Change Password	Form to change your password.

Individual Membership Details

Your individual membership details can be accessed by:
Logging in to BIAS at <https://ourbias.co.uk> or via the BIAS link on our club website.
Use your individual email address and password to log in.
At the top of the page click on Membership and then click My Details.

The details for individual members will be uploaded to BIAS. These will include name, gender, address, telephone numbers and email address.

Your membership type (playing or social) will also be recorded.

Note: For now, we are using a generic joining date for all members with a view to amending this in the future.

You can add or update any of your details by typing in the boxes and clicking the save button at the bottom of the page.

Birthday – adding this is optional.

Car details – not required.

Autojoin email address – leave blank.

Maildrop address – not applicable.

Hide my details in the membership directory - you have the option to tick the box to hide your telephone numbers and email address from other members.

Two factor authentication – optional - if ticked this will add a second security step to your log-in. After entering your password, you can be emailed a security code which must then be used to access BIAS.

If there are any queries regarding your membership details held on BIAS, please contact the Membership Secretary, Daf Ashby.
