

Online Rink Calendar and Booking

The rink calendar on BIAS has replaced the need for a paper rink book which used to be located at the entrance to the club. It allows you to reserve rinks for roll ups, competitions and social games.

The rink calendar can be accessed by:

Logging in to BIAS at <https://ourbias.co.uk> or via the BIAS link on our club website.

Use your individual email address and password to log in.

At the top of the page click on Between clubs or Within club and then click Rink Calendar.

The rink calendar displays all rink reservations. It is already populated with all the fixtures and competitions at the club. (It also displays 'away' fixtures).

Note: The rink calendar starts from the current date. Please do not book any rinks before the Green opens on **Monday, 20th April 2026**. The rink booking grid displays bookable sessions from 10.00 am – this is to accommodate County bookings, coaching sessions for new bowlers, Open Days etc. **Please do not book a rink before 12.00 pm, unless you have checked with the Green team** (as they may be cutting or treating the grass in the morning).

How to book a rink:

Select the date:

- Use the 3 dots to the right of the date box to select the date, e.g. 7th July 2026.
- The **calendar** will show bookings for all rinks on that day. (Bookings in red are fixed and cannot be relocated to another rink. Bookings in yellow can be moved if required).

The **rink booking grid** is below the calendar. It shows the status of each booking slot as follows:

Green - this slot is available for booking.

Yellow/Orange- this slot is already booked but it can be moved. If a rink has been booked by a member, the name of the member who has reserved the slot will be shown in the

calendar above the rink booking grid. If you book this slot, the existing booking will be moved to an available green rink and your booking will replace it. (If no rinks are free at the time you need, you cannot book an existing yellow/orange slot and the button will not work).

Red - this slot is unmovable and unbookable. If booked by a member rather than automatically by the system, their name will be shown in the calendar above the rink booking grid.

Rink booking grid.

You can book any slot shown in yellow or green by clicking the slot. Green are available slots, yellow are booked but can be moved to another rink. Red tiles are booked and unmovable.

20:00	Rink 1	Rink 2	Rink 3	Rink 4	Rink 5	Rink 6

Select the rink and time slot:

- To book a rink click the green or yellow/orange button on the slot you require. A new form will open where you will be asked to type in a description of your booking. Your name will be added automatically. The tick box on the form normally remains ticked – this makes your booking moveable. If you clear the tick box, the booking will be fixed on that rink. (This is normally only for county competitions at TMX).

You are about to book rink 6 for one session starting at 12:00 on 7/7/2026.

Describe your booking for display on the rink calendar

Roll Up

Allow this reservation to be relocated to another rink if needed

Reserve rink

20:00						
21:00						

- If you need more than one time slot, repeat the process.
- Note: Your booking will fail, if your booking needs to move a reservation that spans multiple 1-hour sessions, like a friendly or league game. No action will be taken by the system if BIAS cannot move all the sessions (and keep them together) to another rink.

How to cancel a booking:

- Below the rink booking grid is the 'Cancel my rink reservations' list. (You may need to scroll down the page to see this). You can cancel one or more of your own reservations by clicking the tick box beside the reservation that you want to delete, followed by the 'Cancel ticked reservations' button.

- Note: You can delete your own reservations, but not those of others. Reservations by others can be moved, as above.

Club Friendlies and League Games at TMX:

Please note all rink reservations for club friendlies and league games are in yellow. This is so that the Captains/League Managers can select the best rinks to use at the time and avoid any unplayable rinks. As we move through the season, when the Captains/League Managers select their teams, they will also select fixed rinks for the game that cannot subsequently be moved. Where possible, friendlies and league games should be played on adjoining rinks. If, however, you need to book rinks for a county competition, it is possible to select your preferred rinks and mark them as fixed (red) rinks.

Note: Rink bookings for club friendlies and league games take precedence over internal club competitions.
